ACCESSIBILITY

All buses are wheelchair accessible and are equipped with kneelers. We may not be able to accommodate you if your wheelchair/scooter is longer than 48" or wider than 32" or if your total weight with wheelchair exceeds 600 pounds. The information on this schedule will be produced in an accessible format upon request.

BIKES ON BUSES!

BRTA buses now have bicycle racks on the front bumper. For no additional fare, a bus passenger can bring his/her bike and place it in the bike rack. The bike racks hold two standard two-wheeled bicycles. The bike racks are simple to use: just pull down the rack to load the bike into the rack closest to the bus. Bikes may not be locked into the rack. Use of the bike racks is at the passenger's risk.

LOST AND FOUND

If you leave an item on the bus, please call the BRTA as soon as possible. Tell us what route you were on, the direction you were going and the time and location of your departure from the bus.
